

# CERT Monthly Safety Tip

## AED Locations in the Community

There are currently 4 Automated External Defibrillators (AEDs) located throughout the community. These can be life-saving devices when used while waiting for 911 first responders to arrive and administer aid, but it is important to get the proper training first. CERT is sponsoring two classes on basic CPR/AED skills on February 7 for \$20/person. Details in the Wi-Fi Cafe or in the Del Webb email blast.

Note the AED locations below:

- 1) The Fitness Center in the Oasis
- 2) By the Pro Shop / Tennis Court Bathrooms
- 3) In the storage box at the Pickleball Courts
- 4) Hallway from the Lake House to the Bathrooms

Join CERT on Thursday, February 16 at 10AM in the Oasis Card Room for our monthly meeting. For more info contact Chuck Kennedy, [cwk7954@verizon.net](mailto:cwk7954@verizon.net).
