CERT Monthly Safety Tip

Consider registering your emergency contact information with

TIFF – To Inform Families First

www.ToInformFamiliesFirst.org

This program was developed to provide emergency contact information to loved ones in case of an emergency. It is sponsored by the Manatee County Sheriff's office and the information is accessible **ONLY** to law enforcement who only use it to contact people you designate in the event of an emergency.

Over 13 million have already registered, and it is a free, voluntary program for anyone with a Florida Drivers License or ID card. The process takes only minutes and can save you and your loved ones valuable time if an emergency happens.

To learn more about this program you can contact the founder of TIFF, Christine Olson, at 941.795.1869, or go online to her website www.ToInformFamiliesFirst.org

The next monthly CERT meeting is on Thursday, July 21 at 10am in the Oasis Card Room. If you're interested in joining CERT, please contact Lyle Weissbach at fetzer3@aol.com.
